

ENVIRONMENTAL  
CLEARANCE

Government of India  
Ministry of Environment, Forest and Climate Change  
(Issued by the State Environment Impact Assessment  
Authority(SEIAA), Andhra Pradesh)

To,

The Sr. DGM (Environment)  
SREE JAYAJOTHI CEMENTS PRIVATE LIMITED  
Sree Jayajothi Cements Private Limited, 9th Floor, Block-3, My Home Hub,  
Madhapur, Hyderabad -500081

**Subject:** Grant of Environmental Clearance (EC) to the proposed Project Activity  
under the provision of EIA Notification 2006-regarding

Sir/Madam,

This is in reference to your application for Environmental Clearance (EC)  
in respect of project submitted to the SEIAA vide proposal number  
SIA/AP/MIN/77550/2021 dated 04 Jun 2022. The particulars of the environmental  
clearance granted to the project are as below.

- |   |  |
|---|--|
| 1. EC Identification No.                      | EC22B001AP167334   |
| 2. File No.                                   | AP/KNL/MIN/2/2021/2891   |
| 3. Project Type                               | New  |
| 4. Category                                   | B1   |
| 5. Project/Activity including<br>Schedule No. | 1(a) Mining of minerals  |
| 6. Name of Project                            | Lime Kankar Quarry over an extent of Ms<br>Sree Jayajothi Cement Pvt. Ltd. |
| 7. Name of Company/Organization               | SREE JAYAJOTHI CEMENTS PRIVATE<br>LIMITED                                  |
| 8. Location of Project                        | Andhra Pradesh   |
| 9. TOR Date                                   | 15 Sep 2021  |

The project details along with terms and conditions are appended herewith from page  
no 2 onwards.

Date: 03/08/2022

(e-signed)  
DR. P.V.CHALAPATHI RAO  
Member Secretary  
SEIAA - (Andhra Pradesh)

*Note: A valid environmental clearance shall be one that has EC identification  
number & E-Sign generated from PARIVESH. Please quote identification  
number in all future correspondence.*

REGD.POST WITH ACK.DUE

**Order No. SEIAA/AP/MIN/KNL/02/2021/2891/192.12&189.12**

**Sub: SEIAA, A.P- 6.605 Ha Lime Kankar Quarry of M/s. Sree Jayajothi Cements Private Ltd. at Sy.No: 520/1 of Nandavaram Village, Banaganapalle Mandal, Nandyal (Erstwhile Kurnool) District, Andhra Pradesh -Environmental Clearance–Issued - Reg.**

- II. This has reference to your application submitted through online on 04.06.2022 (SIA/AP/MIN/77550/2021), seeking Environmental Clearance for the proposed **6.605 Ha Lime Kankar Quarry at Sy.No: 520/1 of Nandavaram Village, Banaganapalle Mandal, Nandyal (Erstwhile Kurnool) District, Andhra Pradesh** in favour of **M/s. Sree Jayajothi Cements Private Ltd.** It was reported that the nearest human habitation viz., Venkatapuram (V) exists at a distance of about 1.13 Km from the mine lease area. It was noted that the capital investment of the project is Rs.50.0 Lakhs and capacity of the project is as follows:

**Mining of Lime Kankar – 0.05 MTPA in 6.605 Ha.**

- III. As seen from the Mining plan approved by the competent Government Authority the following two aspects are noted.

- i. The location of the mine is as follows:

Sl.No	Latitude	Longitude
1.	15°22'02.55608"N	78°15'39.61753"E
2.	15°22'04.10045"N	78°15'44.00993"E
3.	15°21'58.06658"N	78°15'44.09229"E
4.	15°21'58.03112"N	78°15'44.96820"E
5.	15°21'51.71935"N	78°15'43.03342"E
6.	15°21'52.59674"N	78°15'38.93001"E
7.	15°21'57.68672"N	78°15'36.42172"E
8.	15°22'00.71699"N	78°15'36.65820"E
9.	15°22'01.71331"N	78°15'38.22536"E

- ii. It is an open cast semi-mechanized mine. Life of Mine is 7.06 Years. The total mine lease area is 6.605Ha.

This proposal has been referred to SEAC, A.P along with all the documents submitted by the proponent for their appraisal and for their specific recommendations on EC aspect. The proposal has been examined and processed in accordance with EIA Notification, 2006 and its amendments thereof. The State Level Expert Appraisal Committee (SEAC) examined the application, in its meeting held on **05.07.2022**. The proposed project is for mining **Lime Kankar** in an area of **6.605 Ha.** with a proposed production quantity of **Lime kankar – 0.05 MTPA** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan. The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease). The representative

of proponent and their consultant BS Envi-Tech (P) Ltd. have attended the meeting. The Committee noted that as per cluster letter issued by Asst. Director of Mines & Geology, Banaganapalle, vide Lr. dated: 22.12.2020. There are 03 existing quarry leases within the radius of 500 mts area. The Committee noted that the extent of proposed mine lease area is **6.605 Ha**. The project falls under B1 category. The proponent obtained TOR on 08.10.2021. public hearing was held on 21.04.22. The project proponent reply for issues raised in public hearing is as follows.

He welcomed the District Revenue Officer, Environmental Engineer, Pollution Control Board, Public representatives, Surrounding Villagers, farmers, N.G.O's, the public gathered at the venue. Media and officials of police department and everyone. He informed that around 15 people have expressed their views / suggestions on this project. He stated that in their existing plant nearly 196 people were employed in mining department and 700 people were working in the form of contract employment. He expressed that the proposed mining is very small and 08 people will get direct employment and many people will get indirect employment. He informed that the management have undertaken CSR activities in surrounding villages and has spent nearly Rs. 7.5 crores on this. Various CSR activities were undertaken like development of Schools, merit scholarships to the students, conducting medical camps and distributed essential commodities during Covid-19, drinking water facilities, drainage facilities were improved. Management has conducted awareness programmes and rallies in the surrounding villages on health losses for the use of plastics and also conducted awareness programmes as part of the Road Safety Week. And he also informed that the management has planted one lakh saplings till date. He has informed that all the above programmes will be continued in future also. The Mining operations will be carried out in the presence of qualified mines manager. Water sprinkling will be done during mining operations. Management is pending Rs.1.0 crore for wetting purpose only. All pollution control measures will be taken during mining operations. He stated that management will extend the support for the development of Nandavaram and the surrounding villages and thanked everyone who has attended in the public hearing. The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Nandavaram** Village as a part of Corporate Social Responsibility (CSR) activity. Proposed to provide training to diploma students @ 6 persons per year as part of CSR. The Committee after examining the project proposals, presentations, public hearing minutes, EIA appraisal, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental Clearance with the following additional conditions:

1. The proponent shall comply with the proposals furnished in Environmental management plan.
2. The project proponent shall develop greenbelt along approach road upto mine & village Road sides.
3. The project proponent shall arrange fencing around the mine at the time of leaving the mine as per mine closure plan to protect the area.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.

The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time. The committee in the appraisal report clearly stated that they have approved the approved Mining Plan, Form-I/II, PFR/DPR and EMP for compliance by the proponent. The State Level Environment Impact Assessment Authority (SEIAA), in its meeting held on **27.07.2022** examined the proposal and the recommendations of SEAC and decided to accept SEAC recommendations aforesaid for strict compliance by the proponent and to issue EC. The SEIAA, A.P **hereby accords Environmental Clearance to the project** as mentioned at Para No. I under the provisions of the EIA Notification 2006 and its subsequent amendments issued under Environment (Protection) Act, 1986 subject to implementation of the following cluster, specific and general conditions:

### **Part A. Special Conditions:**

- i. The proposal shall not attract the following Acts & Rules:
  - a. Forest Act 1980,
  - b. Wild life (Protection) Act,1972;
  - c. CRZ Notification, 2011;
  - d. The Eco sensitive areas as notified under Environment (Protection)Act,1986;
  - e. Critically polluted areas as notified by CPCBand also shall not harm live stocks and human beings and disturb their activities.
- ii. The total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.
- iii. The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads in the **Nandavaram** Village as a part of Corporate Social Responsibility (CSR) activity. Proposed to provide training to diploma students @ 6 persons per year as part of CSR.
- iv. The proponent shall comply with the proposals furnished in Environmental management plan.
- v. The project proponent shall develop greenbelt along approach road upto mine & village Road sides.
- vi. The project proponent shall arrange fencing around the mine at the time of leaving the mine as per mine closure plan to protect the area.
- vii. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
- viii. The project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.
- ix. The avenue plantation (tall plants), of at least 1.5m height, for 1 km length of the approach road on either side of the road is to be developed and maintained. The entire plantation is to be completed in the first year itself.
- x. The proponent is advised to ensure safety to animal and public life.

### **Part B. Specific Conditions:**

#### **1) Air Pollution:-**

- i.
  - a. Suitable drilling & cutting method shall be adopted to control dust emissions, as per approved mining plan.
  - b. The proponent shall comply with the mining methodology mentioned in approved mining plan and Form1.
- ii. Greenbelt shall be developed along the boundary of mining lease area and also in back filled and reclaimed areas with tall growing native species in consultation with the local DFO/Agriculture Department. The proponent of mine shall carry mining operations in such a manner so as to cause least damage to the flora of the mining area and nearby areas. He shall take immediate measures for planting in the same area or any other area selected by authorities not less than twice the number of trees going to be felled by mining operations. He shall also take measures for restoration of other flora /fauna if damaged by mining operations. In case any felling or damage to fauna and flora is involved, prior permission shall be taken from the concerned regulatory authority, by the proponent, without which mining shall not be taken up.
- iii. Fugitive dust emissions from all the sources should be controlled regularly. Water spraying arrangement on haul roads, loading and unloading and at transfer points should be provided and properly maintained.

- iv. The proponent shall take appropriate measures to ensure that the GLC shall comply with the revised NAAQ norms notified by MoE&F, GoI on 16.11.2009.
- v. The following measures are to be implemented to reduce air pollution during transportation of mineral:-
  - Roads shall be graded to mitigate the dust emission.
  - Regulatory Authority prior concurrence shall be taken for this activity.
  - Water shall be sprinkled at regular interval on the main haul road and other service roads by water sprinklers to suppress dust.
- vi. The following measures are to be implemented to reduce Noise pollution:-
  - Proper and regular maintenance of vehicles and other equipment.
  - The proponent shall ensure that there shall be no excessive noise, while taking up mining activity.
  - Limiting time exposure of workers to excessive noise.
  - The workers employed shall be provided with protection equipment and earmuffs etc.
  - Speed of trucks entering or leaving the mine is to be limited to moderate speed of 25 kmph to prevent undue noise from empty trucks.
- vii. Measures should be taken to comply with the provisions laid under Noise Pollution (Regulation and Control) (Amendment) Rules, 2010; dt. 11.01.2010 issued by the MoE&F, GOI to control noise to the prescribed levels. Workers engaged in operations of HEMM, etc should be provided with ear plugs/muffs. Regulatory authority instructions be taken if there are any better alternatives.
- viii. The proponent shall not take-up mining activity unless he obtains the safety clearance certificate from the Govt. competent authority.

## **2) Water Pollution:-**

- i. As per records the source of water is Bore well. Total water requirement is 8.0 KLD, Out of that, 3.0 KLD is used for Dust suppression; 3.0 KLD is used for Development of green belt; 2.0 KLD is used for Domestic Water purpose.
- ii. Garland drain and siltation ponds of appropriate size should be constructed for the working pit to arrest flow of silt and sediment. The water so collected should be utilized for watering the mine area, roads, green belt development etc. The drains should be regularly desilted, particularly after monsoon, and maintained properly. Prior concurrence of Regulatory Authority concerned shall be taken for this activity before taking up mining.
- iii. Regular monitoring of ground water level and quality should be carried out by establishing a network of existing wells by the project proponent in and around project area in consultation with Regional Director, CGWB, Southern Region, Hyderabad. Data thus collected should be sent at regular interval to MoEF, CGWA and CGWB, Southern, Region, Hyderabad.
- iv. Suitable conservation measures to augment groundwater resources in the area shall be planned and implemented in consultation with Regional Director, CGWB, Southern Region, Hyderabad. Suitable measures should be taken for rainwater harvesting in consultation with concerned Regulatory Authority.

- v. Permission from the competent authority should be obtained for drawl of ground water, if any, required for this project.

### 3) Solid Waste :-

- i. Topsoil, if any, shall be stacked properly with proper slope with adequate measures and should be used for plantation purpose.
- ii. The following measures are to be adopted to control erosion of dumps:-
  - Retention/toe walls shall be provided at the foot of the dumps.
  - Worked out slopes are to be stabilized by planting appropriate shrub/grass species on the slopes.
  - Regulatory Authority prior concurrence shall be taken for this activity.
- iii. Waste oils, used oils generated from the EM machines, mining operations, if any, shall be disposed as per the Hazardous Wastes (Management, Handling, and transboundary movement) Rules, 2008 and its amendments thereof to the recyclers authorized by APPCB. APPCB shall monitor this aspect at regular intervals to prevent any harm to life and the proponent on his part, shall ensure that this activity shall be taken up regularly under the guidance of Regulatory Authority, as decided by that Authority.
- iv. The proponent will be squarely responsible for proper implementation of solid waste management plan, prevention of air pollution, water pollution, and any other kind of pollution/health hazard.

### Part C. General Conditions:

- i. This order is valid for a period of 7.06 years or the expiry date of mine lease or land lease period issued by the Government of A.P., whichever is earlier.**
- ii. While giving CFE/CFO, the APPCB is to kindly ensure compliance of guidelines issued in G.O RT No 239 dt 16.04.2020 and Memo. No/ covid-19/2020/HMFW dt 18.04.2020 issued by Medical, Health and Family welfare department, Government of AP and the Ministry of Home Affairs order No 40-3/2020/DM-DA dt 15.04.2020 scrupulously.
- iii. The proponent shall scrupulously follow any conditions stipulated by Revenue department/ Panchayat Raj/ Municipal administration/local self government bodies (Gram panchayat/Gram secretariat) in ensuring safety to human and animal life. The APPCB to ensure the same while according CFE/CFO. The APPCB to ensure the same while according CFE/CFO.
- iv. Proponent shall ensure that there is no disturbance to flora and fauna. Serenity of nature must be protected at any cost.
- v. In respect of government land for mining, the responsibility fixed on AD mines to check whether necessary clearances from revenue department are obtained.
- vi. In case of patta land while granting mine lease ADMG should verify the land lease documents.

- vii.** In respect of forest land given in lease for mining, the proponent shall scrupulously adhere to the mining conditions stipulated by the government of Andhra Pradesh.
- viii.** Any change in mining plan/ production/ mining methodology the proponent shall apply afresh EC.
- ix.** While taking up mining activity the proponent shall meticulously follow approved mining plan/Form-1/EMP.
- x.** Once in an year proponent shall conduct impact analysis on environment by reputed institute recognized by Director General, Mines and Safety.
- xi.** “Consent for Establishment” & “Consent for Operation” shall be obtained from Andhra Pradesh Pollution Control Board under Air and Water Act to carry on mining.
- xii.** No change in mining technology and scope of working should be made without prior approval of the SEIAA, A.P. No further expansion or modifications in the mine shall be carried out without prior approval of the SEIAA, AP/ MOEF&CC, GoI, New Delhi, as applicable.
- xiii.** The project proponent shall submit six monthly reports on the status of compliance of the stipulated environmental clearance conditions including results of monitored data (both in hard copies as well as by e-mail) to the Ministry of Environment & Forests, its Regional Office, Vijayawada, SEIAA, A.P., Zonal Office of Central Pollution Control Board, Bangalore, District Collector and A.P. Pollution Control Board. The proponent shall upload the status of compliance of the environmental clearance conditions including results of monitored data on their websites and shall update the same periodically.
- xiv.** Post Environment Clearance Monitoring: It shall be mandatory for the project manager to submit half yearly compliance reports in respect of the stipulated prior EC terms and conditions in hard and soft copy to SEIAA on 1<sup>st</sup> June and 1<sup>st</sup> December of each calendar year. (Refer 10(i) and 10(ii) of S.O. 1533(E) of Ministry of Environment and Forests Notification, New Delhi, dt 14<sup>th</sup> September, 2006.)
- xv.** The APPCB shall monitor the EC conditions stipulated by SEIAA as per GO MS No 120 dated 01.11.2018 of EFS&T Dept., and ensure the compliance.
- xvi.** The proponent shall obtain prior permissions and continued guidance from regulatory authorities for all the above conditions wherever it is required.
- xvii.** All safety norms as stipulated in various laws and statutes shall be scrupulously followed by the proponent. PCB shall ensure compliance to the conditions stipulated by SEIAA.
- xviii.** The Proponent shall follow G.O. Ms 107 dated 30.07.2016 of Industries & Commerce (Mines-II) Department wherever applicable.
- xix.** “Consent for Establishment” shall be obtained from Andhra Pradesh Pollution Control Board under Air and Water Act before the start of any activity /construction work at site.

- xx. Officials from the Regional Office of MoEF&CC, Vijayawada/ The SEIAA, Andhra Pradesh through the Regional Offices of Andhra Pradesh Pollution Control Board, who would be monitoring the implementation of environmental safeguards should be given full co-operation, facilities and documents/data by the project proponents during their inspection. A complete set of all the documents shall be submitted to the CCF, Regional Office to MoEF&CC, Vijayawada.
- xxi. Four ambient air quality-monitoring stations should be established in the core zone as well as in the buffer zone. Location of the stations should be decided based on the meteorological data, topographical features and environmentally and ecologically sensitive targets and frequency of monitoring should be undertaken in consultation with the State Pollution Control Board.
- xxii. Data on ambient air quality should be regularly submitted to the Ministry including its Regional Office located at Vijayawada and the State Pollution Control Board/ Central Pollution Control Board once in six months.
- xxiii. Personnel working in dusty areas should wear protective respiratory devices and they should also be provided with adequate training and information on safety and health aspects.
- xxiv. The project proponent shall ensure that no natural watercourse and/or water resources shall be obstructed due to any mining operations. Necessary safeguard measures to protect the first order streams, if any, originating from the mine lease shall be taken.
- xxv. Occupational health surveillance program of the workers should be undertaken periodically to observe any contractions due to exposure to dust and take corrective measures, if needed.
- xxvi. A separate environmental management cell with suitable qualified personnel should be set-up under the control of a Senior Executive, who will report directly to the Head of the Organization.
- xxvii. The funds earmarked for environmental protection measures (**Capital cost Rs.7.15 Lakhs and Recurring cost Rs.5.1 Lakhs /annum**) should be kept in separate account and should not be diverted for other purpose. Year wise expenditure should be reported to the Ministry and its Regional Office located at Vijayawada.
- xxviii. At least 2% of the total project cost shall be allocated for Corporate Environment Responsibility (CER) and item-wise details along with time bound action plan shall be prepared in accordance to the MoEF&CC's office Memorandum No.F.No.22-65/2017- IA.III, dated.01.05.2018 and submit to the SEIAA, A.P and Ministry's Regional Office, Vijayawada.
- xxix. The project proponent shall submit the copies of the environmental clearance to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn has to display the same for 30 days from the date of receipt.
- xxx. The project authorities should advertise at least in two local newspapers widely circulated, one of which shall be in the vernacular language of the locality concerned, within 7 days of the issue of the clearance letter informing that the project has been accorded environmental clearance and a copy of the clearance letter is available with the State Pollution Control Board and SEIAA, A.P.

- xxxi.** The SEIAA or any other competent authority may alter/modify the above conditions or stipulate any further condition in the interest of environment protection.
- xxxii.** The proponent shall obtain all other mandatory clearances from respective departments before taking-up the mining activity.
- xxxiii.** Any appeal against this Environmental Clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.
- xxxiv.** Concealing the factual data or failure to comply with any of the conditions mentioned above may result in withdrawal of this clearance and attract action under the provisions of Environment (Protection) Act, 1986.
- xxxv.** The SEIAA may revoke or suspend the order, if implementation of any of the above conditions is not satisfactory. The SEIAA reserves the right to alter/modify the above conditions or stipulate any further condition in the interest of environment protection.
- xxxvi.** SEIAA also reserves the right to cancel the EC issued at anytime, if EC has been obtained by the proponent through suppression of any information or furnishing false information.
- xxxvii.** The above conditions will be enforced inter-alia, under the provisions of the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986 and the Public Liability Insurance Act, 1991 along with their amendments and rules.
